TODAY'S THE DAY TO JOIN YOUR CREDIT UNION AND SAVE ON BANKING COSTS!

During these challenging financial times, there's never been a better time for you and your employees to join Liberty Savings Federal Credit Union.

Liberty Savings offers free checking accounts with no monthly service charge and no minimum balance requirements. We also offer a variety of deposit options including direct payroll deduction and electronic funds transfer.

Every Liberty member with a checking or savings account can also have a free Visa Debit Card that you can use at fee-free ATMs including hundreds right here in Hudson County.

At a time when big banks are looking to increase their fees and reduce services, making loans harder to get, LSFCU is expanding its services, eliminating fees and providing loans.

When many Hudson County families are facing hard economic times, we're there with excellent rates on Home Equity and Signature loans, while paying top returns on all of our savings instruments.

Please make sure to pass this information along to your employees. Some may not be aware that they have a credit union!
